

Where
is
Jane ?

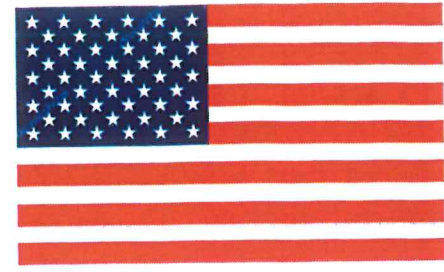

Hello!

My name is Jane. I'm twelve years old and I live in New York. I'm very happy because I'm going to London city with my friends.

I smile from ear to ear as if I could take off the sky. Right now, I'm sitting in our yellow school bus to go to the airport. Can you find me?

Where is Jane ?

Jane is **in front of** the bus.

She isn't **in** the bus.

Dear parents, on Monday,

I went to Big Ben with my class.

The weather was sunny! I could

see the big clock, I was very

impressed because the clock is high.

I couldn't visit it, because just

English people can visit Big Ben.

Every hour the clock of Parliament

rings. I liked seeing the Parliament

it was very good! XOXO Jane.

Dear parents,

On Tuesday, I visited the Tower
of London with my class. It
was cloudy and cold. I was very
afraid because it used to be a
jail long time ago. I'm lazy to
walk all day long.

XOXO Jane.

LONDON

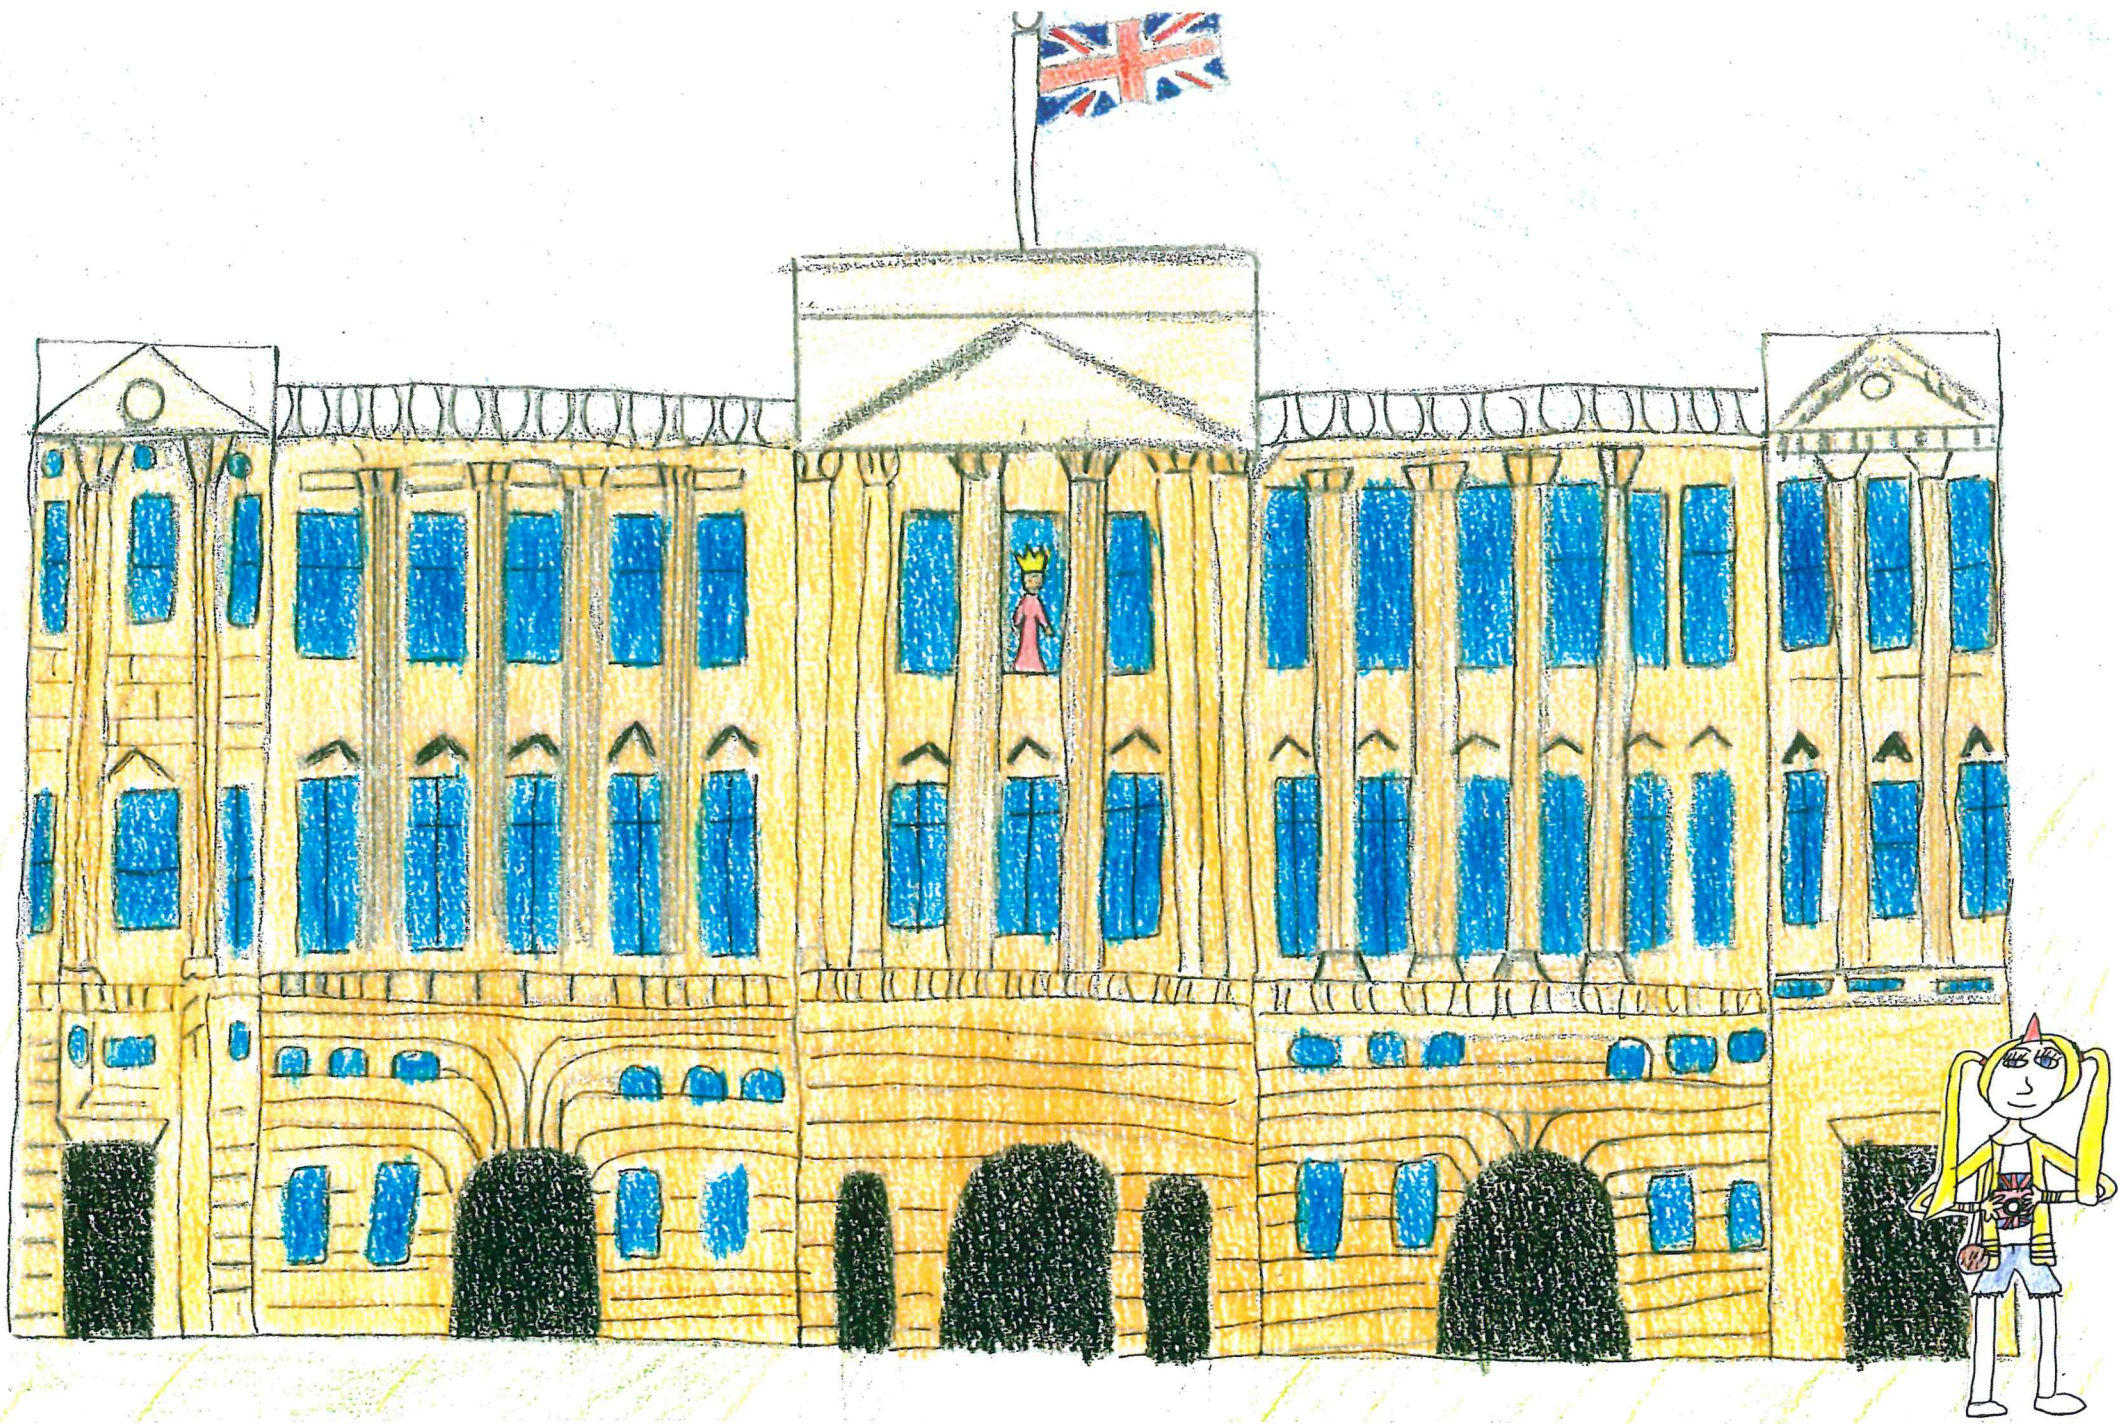

Dear parents,
On Wednesday, we visited Buckingham
Palace, the palace of the Queen: Elizabeth
II. I don't guess what? I couldn't
believe it but yes! I saw the Queen,
at a window behind the curtains.
I was lucky to see her. I was disappointed
for the weather because it was
foggy and cold.
XOXO Jane

Dear parents,
 On Thursday, I visited Corcoran
 Bridge. It was sunny and
 mild, it was amazing! I went
 under Corcoran Bridge in boat, my
 heart felt excited! We went on
 board, on the River Thames and
 we saw the Corcoran Bridge. It was
 great to see the whole bridge from
 the boat! I love Corcoran Bridge!
 See you soon XXXX Jane

Dear parents

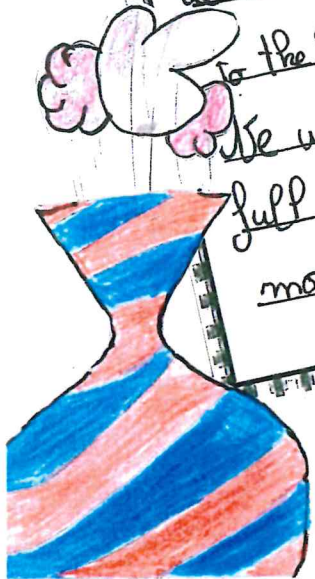

On Friday, we went to the Savoy's
Afternoon Tea because the weather was
buddy, rainy and stormy. Brrr! It
was so cold! For tea time, I ordered a
muffin and hot chocolate. Yummy! So
delicious! I felt sad when we came back
to the hotel. Now I'm very happy but tired.
We walked through London all this
full week, full of feelings and full of
moments. XOXO Jane

amazing but I'm so happy to go back
home!
