

Where is the queen ?

CM1 – CM2
ND Auxiliatrice – LANESTER

She is between the castle and
the letter box.

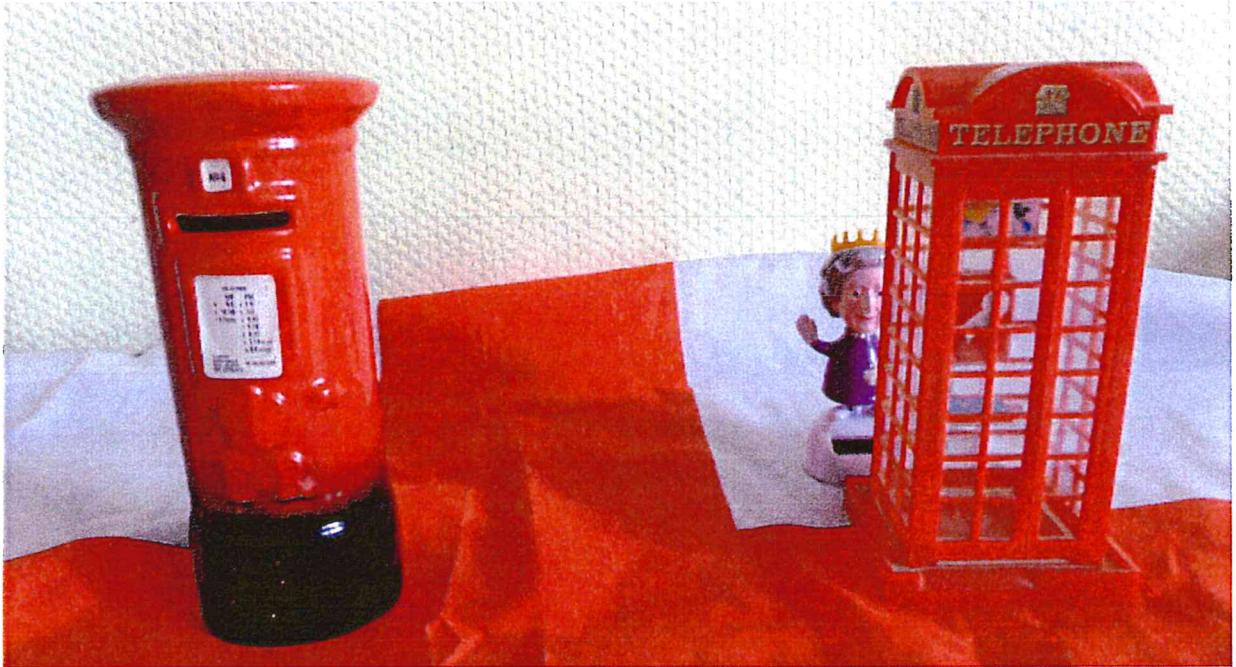

She is next to the call box.

She is front of the tea pot.

She is on the letter box.

She is not next to the letter box but she is
behind the call box.

She is not behind the tea pot but she is
in front of the letter box.

She is between the letter box and
the bus.

She is in the castle.

We are happy !
We like this book and we also like our own book.
Now, we can say where are the things.
